6. The Academic Senate resolved that special exams in deliberated Departments start on September 4th and end on September 13th 2017.
7. Seen the advancement of Technology and its application in teaching and learning, the Academic Senate recommended that Tablets with data collection Softwares be bought for use by students in Statistics Applied to Economy and Land Survey.
8. The Academic Senate resolved that prospect students for the Department of Civil Engineering and Land Survey be informed that it is a must to pass the bridging modules of Maths and Physics and anyone who fails will be advised to enroll in other Departments.
9. It was recommended that the Director of Quality Assurance and Registration provides a report on students who promoted themselves not later than Thursday September 31st 2017 for action. Anyone who will be found guilty will repeat the year he/she was supposed to repeat.
10. On the issue of Business Plan guidelines for students of Entrepreneurship Development and Management Option, the Vice Rector Academic shall work with a specialized team to devise what should be done to guarantee acquisition of required research and writing skills appropriate to graduate students.
11. The Rector and Chairperson of the Senate informed the members that a delegation of 16 persons including 8 from INES Ruhengeri shall go to Leipzig University/ Germany for summer school.
12. The Rector informed the members of different activities that are taking place to improve the working environment including installation of Closed-Circuit Televisions (CCTVs) improvement of the main gate and paving the unpaved places within the campus.
