Planning for the rest of academic year 2019 2020_CWK

	October			November				December						Jan 20
Activity 1: Unfinished modules														
Module Name	Week 2 (12-16)	week 3 (19-23)	week 4 (26-30)	week 5(2-6)	Week 6(9-13)	week 7 (16-20)	week 8(23-27)	week 1(30 Nov- 4	Week 2 (7-11)	Week 3(14-18)	Week 4(21-26)	Week 5(28-31)	Week 1(1-8)	
Year 1 Academic Students - 300														
Engineering Mathematics I (covered)									2Days of revision	CAT (14 DEC) & Exam (16 Dec)				
Engineering Drawing I (Theory is covered online)									2Days of Practicals	EXAM(16 DEC)				
Engineering Geology	Online Teaching (including quizes and assignment)									1Day of revision up +CAT(18 DEC)		EXAM (21 DEC)		
Building Materials			Online Teaching (including quizes and assignment)								1Day of revision up with CAT (19 Dec)			
Languages II (covered online)												EXAM (24 DEC)		
Engineering Mathematics II					Online Teaching (including quizes and assignment)								1 Day of revision, CAT (19 DEC) & EXAM (20 DEC)	
Engineering Drawing II						Online Teaching (including quizes and assignment)							2 Days of revision, and CAT (31 dec)	
Workshop Technology I (Masonry, Carpentry, Appropriate Technology & Electricals)														3 Days of Practicals with EXAM (7 Jan 20)
Computer programing							Online Teaching (including quizes and assignment)		1Day of practicals & Exam (11 DEC)					
Engineering mechanics								Online Teaching (including quizes and assignment)						1 Day of revision on both CATS (on 23
Year 1 Academic Students - 300														
Year 1 Academic Computer Literacy Course										Exam (7 DEC)				
Engineering Drawing I (theory is covered onli									2Days of Practicals with CAT(31 DEC)					
Languages II (covered online)												Exam (25 DEC)		
Engineering Mathematics II					Online Teaching (including quizes and assignment)					1Day of revision with CAT(19 DEC) & EXAM(20 DEC)				
Engineering Geology	Online Teaching (including quizes and assignment)									1D of revision with CAT(18 DEC)		EXAM(23 DEC)		
Building Materials			Online Teaching (including quizes and assignment)								1D of revision with CAT(19 DEC)			
Engineering Drawing II						Online Teaching (including quizes and assignment)							2 Days of revision with CAT (19 DEC) and Exam (20 DEC)	
Engineering Mechanics								Online Teaching (including quizes and assignment)					1 Day of revision with CAT(19 DEC)	EXAM (23 JAN 20
Workshop Technology I (Masonry, Carpentry, Appropriate Technology & Electricals)														3 days Practicals with CAT (9 Jan 20)
Computer programing							Online Teaching (including quizes and assignment)							3 days of practicals with Exam (8 Jan 20)
Year 2 Academic Students - 285														
Engineering Mathematics IV	Online Teaching (including quizes and assignment)								Revision with CAT (9 DEC) & EXAM (11 DEC)					
Basics of Electrical Engineering				Online Teaching (including quizes and assignment)						2 days Revision, CAT (13 DEC) with 1 day of field visit plus Exam (16 DEC)				
Engineering Surveying II					Online Teaching (including quizes and assignment)							Practicals with Exam (to be		
Surveying camp												Practicals		
Year 2 Academic Students - 285														
Structure analysis I				Online Teaching (including quizes and assignment)					2 days of revision with CAT (9 DEC) & Assignment					
Basics of Electrical Engineering	Online Teaching (including quizes and assignment)									one day of revision with a day of field visit with CAT (16 Dec) & Exam (16 Dec)				
Surveying II					Online Teaching (including quizes and assignment)							Revision with CAT (13 Dec) & Exam (16 Dec)		
Surveying camp													Practicals with report (submission date (31 DEC)	
Year 2 Academic Students - 285														
Basics of Electrical Engineering	Online Teaching (including quizes and assignment)								One day of revision, one day of field visit, CAT (9 Dec) & Exam (11 Dec)					
Surveying II (Thanclife)					Online Teaching (including quizes and assignment)					2 days of revision with CAT (13 Dec),Exam(16 Dec)				
Introduction to GIS & RS (Theory is covered)											Practicals tbh on(18 Dec)			
Surveying camp				Online Teaching (including quizes and assignment)									Practicals and reporting	
Year 3 & 4 Academic Students - 80 (Civil - 50, Water - 30)														
Drainage and irrigation		Exam	Teaching											
Reinforced Concrete Design I					CAT (2 Nov)	Exam (9 Nov)								
Foundation Engineering (theory is covered online)					Revision	CAT (13 Nov)	Exam (16 Nov)							
Highway Engineering	revision with CAT (14 NOV)													
Reinforced Concrete Design II			EXAM (25 -Oct)			Teaching & CAT (28 Nov)		Exam (03 Nov)						
Transportation Engineering I														
Industrial Attachment II (8 weeks)			Break											
Year 3 & 4 Academic Students - 80 (Civil - 50, Water - 30)														
Irrigation & Drainage Engineering (theory is covered)							Revision with CAT(14 Nov) and field visit and Exam(18 Nov)							
Computer Aided Building Drawing			Practicals											
Foundation Engineering		Revision & CAT (28 Oct)			EXAM (5 Nov)									
Transportation Engineering I	Revision	CAT (29 -Oct)	EXAM (31 -Oct)											
Reinforced Concrete Design II							Teaching with CAT (29 Nov)	Exam (30 Nov)						
Industrial Attachment II (8 weeks)			Break											
Year 3 & 4 Academic Students - 80 (Civil - 50, Water - 30)														
Irrigation & Drainage Engineering							Teaching with CAT (05 NOV) and Field visit	Exam (12 NOV)						
Foundation Engineering			Revision With CAT (09 -NOV)		EXAM (19 NOV)									
Transportation Engineering I					Revision, practicals with CAT (16 NOV)		EXAM (23 NOV)							
Reinforced Concrete Design II	Teaching with CAT (04 Oct) and Exam (19 OCT)													
Industrial Attachment II (8 weeks)			Break											
Year 5 & Academic Students - 60 (Civil - 30, Water - 30)														
Economics & Business Finance for Civil Engineers	Revision for mid- term (23 of Oct)				CAT (Nov- 6)	Exam (Nov- 09)								
Engineering Ethics & Professional Conduct	Teaching(another shift) 4 Pm of class	Exam												
Elective Subject :Ground improvement technology		Teaching			Project	Exam (Nov- 13)								
Environmental Engineering II (v2)			Revision With CAT (Nov- 02), pratticals and Exam (Nov- 06)											
Project work		Ongoing					Ongoing	Final show-failure and compliance						
Year 5 & Academic Students - 60 (Civil - 30, Water - 30)														
Economics & Business Finance for Civil Engineers		Revision for 1/2 of class			CAT (Nov- 6)	Exam (Nov- 09)								
Engineering Ethics & Professional Conduct		Teaching for 1/2			Exam (Oct -30)									
Elective Subject :Ground improvement technology			Teaching & CAT (Nov- 30)			EXAM (Nov- 03)								
Environmental Engineering II	Revision with CAT (Oct -26)					Exam (Nov- 10)								
Project work		Ongoing						Final show-failure and compliance						
Year 5 & Academic Students - 60 (Civil - 30, Water - 30)														
Economics & Business Finance for Civil Engineers			Revision for 1/2 of class		CAT (Nov- 6)	Exam (Nov- 09)								
Engineering Ethics & Professional Conduct			Teaching for 1/2		EXAM (Nov- 03)									
Elective Subject : Ground improvement technology	Revision, practicals with Exam(Nov)				Exam (Oct -30)									
Environmental Engineering II		Revision & CAT (Nov- 20)				Exam (Nov- 10)								
Project work			Ongoing					Final show-failure and compliance
